Dear Comet Fan,

Facility improvements continue to showcase our Comet Athletes. The competition gym and softball and baseball complex have created a lot of excitement, and our grounds have never looked better. With the new all-weather track going in this summer, we are set to have a great year of athletics. Because of the help of individuals and our business community, we continue to meet student-athlete needs so they can reach their full potential.

For more than 30 years the Comet Booster Club, and fans like you, have provided our student-athletes with the extras that accompany a successful activities program. This success is solely the result of our fans through membership. Your contributions improve equipment and facilities, and are an excellent investment in our student-athletes and community.

Please consider supporting our athletes with a Comet Booster Club fan membership. All members will be recognized in the fall and winter athletic programs and on our social media sites. Most membership levels also include an activity pass(es). Please see the next page for membership levels and details.

If you have any questions, or a proposal on how we can better partner with you, please contact Moriah or Jeff. If you have never been a Booster Club member please consider joining at one of our Fan Levels. If you are currently a member please consider stepping up to the next Fan Level in order to help with the increased costs of athletic expenses. We look forward to hearing from you, and hope you will continue your support of the Comets with a membership.
