## ARTICLE 7: SICK LEAVE

### SECTION

#### 7.1 PERSONAL ILLNESS OR INJURY

1. Sick leave days may be used in either full or one-half day units for physical or mental personal illness, bodily injury, medically related disabilities, including disabilities resulting from pregnancy or childbirth, or contagious disease:

- a. which require the employee's confinement,
- b. which render the employee unable to perform assigned duties,
- c. when the performance of assigned duties would jeopardize the employee's health or recovery, or
- d. which require medical appointments or examinations.

2. An employee shall have fifteen (15) days of sick leave per year. The employee must have continuous service with the employer. During such continuous service, unused sick leave shall accumulate to the credit of the employee until a maximum of 135 days of leave is attained. Any employee may use such sick leave for the current year (15 days) before using such accumulated leave. An employee that has accumulated at least thirty (30) days of sick leave may elect to convert twelve (12) sick days into one (1) additional personal day for the current year. The employee must let the district know in writing by October 1 if he or she intends to convert 12 sick days into 1 additional personal day. Only one conversion of 12 days can be made per year, resulting in one additional personal day per year.

- a. If an employee begins the school year with 10 personal days, they are ineligible to convert sick days into personal days.

3. The Board may, at its discretion and acting through the Superintendent, request a doctor's statement of the inability to perform the usual assignment. When requested and unfurnished, an amount equal to the pay for one day of service shall be deducted for each day of unexcused absence.

4. All accumulated sick leave is deposited into the sick bank upon the termination of the employee.

5. An employee laid off (reduction of staff) who has the right of recall does not accrue sick leave and at the time of recall will be credited the same accumulated sick leave as such employees had at the time of lay off.

- 6. Present employees shall be credited with all unused sick leave.

7. The employer shall deduct one full day of sick leave for each day for which employees on workers' compensation elect to receive any district supplement to the workers' compensation as pay.

8. An employee may use up to twelve (12) weeks of the employee's available leave as paid leave due to medical disability related to pregnancy, childbirth, or a related condition or care for child after birth as maternity leave. The employee must submit a request to the superintendent no later than two (2) weeks before the use of maternity leave unless an unplanned or emergent situation arises as determined solely by the superintendent. No paid leave will be deducted if an employee is not required to report to work. A leave of absence beyond the time of medical confinement for pregnancy and childbirth may be granted without salary or sick leave benefits for a period not to exceed one year. If an extended leave of absence is anticipated, a request for leave shall be filed with the Superintendent thirty (30) days prior to the anticipated absence, except in extenuating or emergent situations as determined solely by the superintendent. If the leave taken under this section also qualifies as Family Medical Leave Act (FMLA) leave, then the paid leave shall run concurrently FMLA leave.

If an employee has less than 8 weeks of accumulated leave for maternity, they may access the employee sick bank for an amount up to 8 weeks, less their current accumulated leave (leave includes sick days, personal days, and family illness days).

9. A sick leave bank shall be established for all employees of the Charles City Community School District. The single district sick bank accepts donations and requests for usage from all classifications of employees.

Any unused sick days from an employee who is retiring or resigning will automatically be submitted to the sick bank. Individual carry-over days, beyond the 135 days at the end of the school year, will be deposited into the sick bank. The sick leave bank will not have a limit to the number of days that can be donated or accumulated. Any donated and unused days in the bank will carry over in full from year to year.

When an employee has exhausted all of their accumulated personal illness days and has a catastrophic personal or family illness that requires leave, they may request the use of additional leave days from the sick leave bank. An employee can request up to a maximum of twenty (20) days in any one request. An individual approved for use of the sick leave bank may make an additional request if the previously approved amount of days is exhausted and additional leave is necessary. Requests will be made in writing to the Administrator stating the reason for requesting days and the number of days requested. This will go to the superintendent for final approval. If a sick bank leave request is denied by the administration, the employee may request an appeal. The employee can make an appeal request in writing to the superintendent. The superintendent will convene a committee that includes the superintendent, one administrator not previously involved in the decision, one representative selected by the school board, one representative selected by the teacher's association, and one representative selected by the support staff

association. This 5-person committee will discuss the request and decide on approval or denial. The decision of the committee will be final.

10. In the event that an employee spends his/her accumulated sick leave days, the superintendent may grant additional sick leave days. If an individual has a catastrophic situation requiring significant extended sick leave, the superintendent, with permission from the affected individual, may request voluntary donations of sick leave from staff for use by the affected individual. The superintendent will determine the number of days to be granted on a case-by-case basis. Each staff member would be able to voluntarily donate up to 2-days of sick leave per request. Donations will be taken in the order received until the maximum amount of days required is met. The superintendent could approve and request additional donation days for the same individual if the original allotment runs out and the superintendent deems it appropriate to offer additional extended leave.

## 7.2. ADOPTION LEAVE

a. An employee may use up to (five) 5 days of paid sick leave to complete adoption procedures.

b. If pre-approved by the superintendent, an additional twenty-five (25) days of available paid leave will be granted after the adoption of a child for the purpose of caring for and bonding with the child. Available leave can include sick leave, family medical leave, or personal days.

c. Spouses may take a combined thirty (30) days of sick leave for the adoption of a child.

d. All applicable paid leave must be used for adoption leave.

## 7.3 MEDICALLY-RELATED DISABILITY

If the employee does not give the required notification of intent to return and a substitute subsequently reports for duty the following morning, the substitute will be paid for an additional half-day, and the pay for this will be deducted from the employee's salary.

4. This leave will be granted when a substitute is available or when an employee's assignments can be covered by the then available staff.

5. Unused personal leave may be accumulated at a rate of one day for each full day not used for half-day for each half-day not used. Days may be accumulated to a maximum of eight and no more than eight days may be taken in any one year. After reaching the maximum number of eight days, unused personal leave may be converted to sick

at the rate of one day for each full personal day not used. Consecutive personal days may not be taken in the last 4 weeks of the school year without the Principal's permission.

6. An employee may elect to be paid for unused personal days, in lieu of accumulating them, at per diem. The employee must notify the employer of his/her desire for this option by the end of the school year.

7. After a day has been accumulated, it cannot be cashed in. Days earned in the current contract year shall be used first. Only these two days shall be eligible for the payment if unused at the year's end.

An additional five (5) days may be granted with a substitute pay deduction.

2. In cases other than stated in section 16.6, paragraph 1, such leaves shall be charged against the employee's personal leave, if such absence is for a half-day or longer.

3. The provisions of paragraph 8.1 do not apply to this section 8.5.

### 8.6 FAMILY ILLNESS OR INJURY

1. Personnel shall be granted leave of absence at full pay for illness or injury of a member in the immediate family (father, mother, sibling, husband, wife, child, parent-in-law, son- or daughter-in-law, grandchild, step-child, step-parent, foster care

child) limited to five (5) days per year. If more than five (5) days are needed, up to three (3) employee sick days may be used in addition if necessary.

2. Superintendent may grant such leaves at full pay which are not included in the above, for critical illness or injury supported by a written statement (in advance if possible) from the attending physician certifying that the illness or injury was of a critical nature.

3. The provisions of paragraph 8.1 do not apply to this.

4. If an employee has exhausted his/her family illness leave provided under Section 16.7.1 and the employee has a catastrophic situation requiring extended family illness leave, the superintendent, at the request of the employee, may permit the employee to use additional sick leave days from his/her personal sick leave account for this catastrophic family illness. The superintendent will determine the number of personal sick leave days to be granted on a case-by-case basis. If the employee has already exhausted all of his/her personal sick leave days, the superintendent, with permission from the employee, may request voluntary donations of sick leave from staff for this catastrophic family illness following the procedures and subject to the conditions set out in the preceding paragraph.

#### PART B. EXTENDED LEAVES OF ABSENCE

##### 8.8

1. Replacement on the salary schedule following an extended leave of absence shall be in accordance with the following procedure. This procedure shall pertain to all extended leaves unless designated otherwise. Sick leave accumulated prior to the granting of extended leave shall be retained by the employee. The examples below illustrate the re-entry procedure.

(a) An employee having completed less than one-half of the teacher contract period on Step Six would return on Step Six of the next contract period.

(c) An employee having completed the teacher contract period on Step Six of the schedule and granted a two year leave of absence would be placed on Step Seven of the next contract year.

2. In the event the Board has entered into a written individual contract with a substitute for the teacher on leave, the teacher on leave will not be permitted to return to service prior to the conclusion of the substitute's contract. Every reasonable effort will be made by the Board to have the termination date for the substitute's contract to be the same as the date for the ending of the teacher's authorized leave.

## ARTICLE 10: GRIEVANCE PROCEDURE

### SECTION

#### 10.1 DEFINITIONS

##### 1. GRIEVANCE

"A grievance is a claim made by an employee or the Association that there has been a violation of a specific provision of this agreement."

##### 2. AGGRIEVED PERSON

An "aggrieved person" is the employee or the Association making the complaint.

##### 3. PARTY IN INTEREST

A "party in interest" is the employee making the complaint and any person, including the Association or the Board, who might be required to take action, or against whom action might be taken to resolve the complaint.

#### 10.2 PURPOSE

(a) The purpose of this procedure is to secure, at the lowest possible level, solutions to the problems which may, from time to time, arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure. Confidentiality means only that there will be no release to the news media.

(b) To accomplish this purpose, each grievance will state the name of the employee involved and shall contain a short concise statement of alleged facts in sufficient detail so that the employer will know the nature of the grievance.

#### 10.3 PROCEDURE

##### 1. TIME LIMITS

Every reasonable effort should be made to expedite the grievance procedure. The time limits specified may, however, be extended by mutual agreement.

##### 2. YEAR-END GRIEVANCE

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted before the end of the school year or within a maximum of 45 days thereafter.

### 3. IDENTIFICATION

For identification purposes each written grievance filed will be assigned a number by the Association president or his designee and the number will be placed on the grievance before it is presented at Level Two.

### 4. FILING OF GRIEVANCE

(a) A written grievance shall be filed within 25 school days after the date of the alleged violation as outlined in the grievance and, if not so filed, that grievance shall be void and of no force or effect and shall not be a subject or part of the grievance procedure; provided, however, any clerical mistake in the calculation of the employee's pay shall be corrected as of the date the mistake was made, subject, to the statute of limitations as provided by the laws of the State of Iowa.

(b) All counterparts of the grievance will be processed at all levels and one counterpart shall be retained by the grievant, one by the Association, one by the Superintendent, at the time said grievance has been processed to all levels before arbitration. A photocopy may be furnished to the arbitrator.

## 10.4 LEVELS

### 1. LEVEL ONE - PRINCIPAL (INFORMAL)

An employee with a grievance shall first discuss it with his principal, either directly or through the Association's designated representative, to resolve the matter informally.

### 2. LEVEL TWO - PRINCIPAL (FORMAL)

If, as a result of the informal discussion with the principal at Level One, a grievance still exists, the aggrieved person may invoke the formal grievance procedure through the Association on the form outlined in Schedule A. A grievance filed by any employee or the Association on any form different than Schedule A shall be void and it shall not be processed through the grievance procedure. The grievance form shall be available from the Association president or his designees and said form shall be made in triplicate; one copy to be filed with the appropriate principal and one copy to be filed with the Association president. If the grievance involves more than one school building, one copy shall be filed with the Superintendent and one copy with the Association President. The appropriate principal shall indicate his disposition of the grievance in writing within ten (10) school days of the presentation of the formal Grievance and shall furnish a copy thereof to the Association. If the aggrieved person or the Association is not satisfied with the disposition of the grievance, or if no disposition has been made within the ten (10) school day period, the grievance shall be transmitted to Level Three. If the grievance is not processed to Level Three within ten (10) school days after the written disposition is made, the grievance shall be conclusively deemed to have been satisfactorily resolved and settled.

### 3. LEVEL THREE - SUPERINTENDENT

The Superintendent shall meet with the aggrieved person and the Association's representative within five (5) school days of receipt of the grievance. Within ten (10) school days of receipt of the grievance, the Superintendent shall indicate his disposition of the grievance in writing and shall furnish a copy thereof to the Association and Board.

If the grievance is not processed to Level Four within forty-five (45) calendar days after the Superintendent's written disposition is made, the grievance shall be conclusively deemed to have been satisfactorily resolved and settled.

### 4. LEVEL FOUR - ARBITRATION

(a) No grievance shall be processed to arbitration except with the written approval of the Association.

(b) Within ten (10) school days after written notice to the Board of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from the said arbitrator. In case of failure to so agree or obtain such a commitment within the specified period, a written request for a list of arbitrators shall be made to the Public Employment Relations Board (PER Board) by either party. The list shall consist of seven (7) arbitrators and the parties shall determine by lot which party shall have the right to remove the first name from the list. The party has the right to remove the first name and shall do so within three (3) school days upon receipt of the list. The parties shall proceed, striking alternately. The person whose name remains shall be the arbitrator.

(c) The arbitrator so selected shall hold a hearing promptly and shall issue his written decision not later than twenty (20) school days from the date of the close of such hearing; provided, however, the parties may by mutual, written agreement waive the oral hearing, and in such event, the arbitrator will issue his decision not later than twenty (20) school days from the date the final statements on the issues are submitted to him by each party. Both parties shall submit their final statement to the arbitrator within five (5) school days after the date of such waiver of oral hearings, after which, both parties will have two (2) school days to file a rebuttal. A copy of all statements presented to the arbitrator will, at the same time, be furnished to the other party. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning, and conclusions on the issues submitted. The decision shall be signed by the arbitrator and furnished by him to each party.

(d) The arbitrator shall be without power or authority to add to, detract from, amend, modify, nullify or ignore the provisions of this agreement. His authority shall be strictly limited to deciding only the issues presented to him in the grievance and his decision shall be based solely and only upon his interpretation and construction of the meaning or the application of the express relevant language of the agreement. The arbitrator's decision shall be final and binding when rendered by the terms of this agreement.

(e) Not more than one grievance may be arbitrated at one arbitration hearing except by mutual agreement. An "arbitration hearing" shall be an occasion wherein the arbitrator shall be scheduled on a certain date to meet with the parties to hear one grievance which may have been properly processed to the point of arbitration under the provisions of this article. Such hearings shall be of such duration as the arbitrator shall determine is necessary for a proper presentation hearing. No more than one arbitration hearing shall be held during any ten (10) school day period.

(f) The costs for the services of the arbitrator, including reasonable expenses, and the costs of the hearing room, shall be paid equally by the Association and the Board. Any other expenses incurred shall be paid by the party incurring the same.

(g) Arbitration hearings will not be scheduled during school hours without mutual agreement of the Association and Board.
